To whom it may concern

It is my pleasure to apply for the faculty position at Wake Tech.

Having been living in the Wake County for 13 years, I feel happy to make my contribution to the community to raise our next generation with knowledge and skills. With my strong scientific training, programming experiences and extensive college teaching experiences, I believe that I will conduct high quality teaching at Wake Tech. It is my strong will to train and equip our kids with valuable and hands-on skills necessary for the future.

Attached to this application, I have provided my person C.V. for your reference. Your any attention to my application will be highly appreciated.

Sincerely Yours

Jianying Li
