Agency-Wide Questions

1. **Where did you first hear about this opportunity?**
Personal Referral
2. **If you selected "External Website", please list website(s).**
3. **What is your gender?**
Male
4. **What is your ethnicity?**
Non-Hispanic
5. **What is your race?**
Asian
6. **Are you related to any Wake Tech employees? If so, please identify to include name, department, and relation to you.**
7. **Are you a veteran? If yes, please enter dates of service. (A copy of a report of separation may be required upon request.)**
no
8. **Are you retired from the North Carolina Community College System?**
No
9. **Have you ever been convicted of any unlawful offense other than a minor traffic violation?**
No
10. **If yes, list date(s), count(ies), state(s), and specific crime(s). A previous conviction will not disqualify you from consideration. However, failure to provide complete and accurate information is considered falsification, and your application will be removed from consideration.**
11. **I attest that I have reviewed the "Application Requirements" guidelines (see Human Resources webpage, Application Requirements in the left menu). I understand that not following the guidelines may result in my application being eliminated from consideration.**
I have read and understand

Job Specific Supplemental Questions

1. Describe your experience working in a community college setting.

I have been teaching advanced math, statistics, and science courses at Strayer University since 2009.

2. Please describe your Mathematics teaching experience. Please specify whether the experience is full-time or part-time.

I have been teaching advanced math, statistics, and science courses at Strayer University since 2009, as an adjunct faculty.

3. How many years online teaching experience do you have?

3 to less than 6 years

4. Please describe your knowledge of and facility with technology and software including graphing calculators, computers, and web-based resources.

My profession is computer-based bioinformatics research and support. I am very experienced with computer setting and have developed many desktop and web-based applications. Through teaching on-line course, I am experienced with many basic and advanced tools.

The following terms were accepted by the applicant upon submitting the online application:

Proof of Employability and Credentials:

If employed, proof of identity and eligibility for employment are required. Educational, professional, and employment credentials will also be verified within 30 days of employment and prior to granting permanent status.

Pay:

Starting salaries are based on your relevant education and experience, labor market considerations, salary equity, and budget. Employees are paid monthly by direct deposit to a financial institution of their choice. If overtime is required for employees subject to the Fair Labor Standards Act, compensatory time off in lieu of pay is given whenever possible.

By clicking on the '**Accept**' button, I hereby certify that every statement I have made in this application is true and complete to the best of my knowledge. I understand that any false or incomplete answer may be grounds for not employing me or for dismissing me after I begin work. I understand that I will have to produce documentation verifying identity and employment eligibility in the U.S. I understand that I may be required to verify any and all information given on this application. I understand that this completed application is the property of Baltimore County and will not be returned. I understand Wake Technical Community College may contact prior employers and other references. I understand that I must notify the Human Resources Division of any changes in my name, address, or phone number.
